

9060 Material pressure container MDG

Art.Nr. 9060-0004 : 4 liter Capacity
Art.Nr. 9060-0008 : 8 liter Capacity
Art.Nr. 9060-0012 : 12 liter Capacity
Art.Nr. 9060-0024 : 24 liter Capacity.

Description

Pressure container with removable lid.

Compressed air intake fitting with air input tap, pressure regulator, safety valve and pressure gauge.

Lid with riser and extraction ball valve

Material	Steel, galvanized
Operating air pressure	Max. 6 bar
Operating temperature	+10°C - +50°C
Test pressure	Max. 8,6 bar
